

"Hurricane" by Bob Dylan

1. What time of day did the murder happen?
2. Who did Patty see bleeding?
3. How many dead bodies did Patty find?
4. What did Bello say he was doing when Patty saw him?
5. Who did they decide to telephone?
6. What could Rubin have become if he hadn't been put in jail?
7. Who is better off staying away from the streets?
8. What did the injured man say when he saw Rubin?
